**A list of deaths recorded in Hubbard County Minnesota as well as a listing of
tombstones in the cemeteries located in Hubbard County.**

HUBBARD COUNTY DEATH INDEX

This is a listing of the people whose deaths are recorded in the Hubbard County Courthouse and of the people whom have tombstones in the cemeteries of Hubbard County. It is a complete list of Death Certificates but only a partial listing of tombstones as not all cemeteries of the county have been transcribed.

How to use this listing. This listing is in alphabetical order, listing by Last name then First name and middle name. The death date as complete as the records make possible. Some cemetery dates may be burial vice death depending on the record it was obtain from. The reference number is the location in the books at the recorder office in the Hubbard County Courthouse. It should be read Book-Page-line. The newer books do not have a book and page as they are sorted by month then alphabetical, all you need to obtain the certificate is the name and death date. The cemetery listing is taken off the death certificate or cemetery listing then converted to a number assign to the cemetery by the Hubbard County Genealogical society. There is a listing of cemeteries and their number on the next page. The cemeteries with a BC##, are located in Becker County and these numbers have been assigned by the Becker County Historical Society. The abbreviations of MPLS concerns the 7 county Metro area, the states 2 digit postage abbreviation are used. Wadena, Beltrami, and Cass are neighboring counties.

As with all research please be double check anybody else's work. With two cemeteries with the same name and misgiven information at the time of death, mistakes can be made. You will se people with 2 cemeteries for we found a tombstone in one while the death certificate a different one is listed as the burial location.
